

"Zonta International - down under and across the ditch"

Want to know more about the story of Zonta International in Australia from its origin in Sydney in 1929 to our current structure of Districts 16, 22, 23 and 24?

This book written by Zontians from each of our four Districts provides the answers:

- Who were our District Governors and when?
- How has membership grown?
- What are the major service projects undertaken at District level?
- How have we advocated on behalf of women and girls to support our mission of *"Empowering Women Through Service and Advocacy"*?
- What about our Clubs - how they have flourished and some floundered?
- Who has represented us at international level?

These questions and more are covered in this publication launched at our 2019 Inter-District Conference.

Information has been taken from the previous publication *"Zonta in the Antipodes: A Short History of Zonta International District XVI"* which covers the period up until the creation of Districts 23 and 24, District archives, websites, Facebook pages, the recollections of District leaders and *"Empowering Women: A History of Zonta International in New Zealand 1965-2016"* by Jennifer A Loughton.

The book is divided into five sections, plus Appendices that trace the development of individual Clubs, Z Clubs and Golden Z Clubs:

- Our History pre 1990
- District 16 from 1990-2019
- District 22 from 2008-2019
- District 23 from 1990-2019
- District 24 from 1990-2019
